PROFESSIONAL EXPERIENCE

Bazurto Marketing Solutions

Santa Clara, CA

2003 to 2013

Principal Consultant (part-time)

- Evaluated and tested recommendations for website redesign at the KITlist.org, a startup Silicon Valley jobs website. All recommendations accepted.
- Co-produced KITlist television program providing sophisticated coverage of job search techniques. Cut show preparation time in half. Manager accepted recommendations for newer, fresher video format to attract younger audiences.
- Organized client thoughts into coherent, linear content fine-tuning it for target audience. Keen attention to brand strategy while researching and writing first books and journal articles for customers in technical, scientific and academic fields. Praised for insightful questions and active listening skills.
- Brought new product to market working in teams, masterminding, organizing and speaking at public events and coaching others to do the same with strong messaging and branding. Grew MonaVie startup from 0 to more than 1,000 consumer customers and profits from 0 to .5 million in new business.
- Researched, created and delivered powerful, pragmatic, get-results seminars to more than 500 counselors, parents and couples at Bay Area schools, Mom's groups and churches with the goal of establishing peace in the home. Devised detailed business plan for a highly-visible, Harvard-educated author who appeared on the Oprah Winfrey show.

Sun Microsystems, Inc

Santa Clara, CA

1999 – 2002

Senior Distribution Channels Manager, E-Commerce Software*Sun Microsystems, Inc. sold computers, computer components, computer software and information services.*

- Improved software brand awareness from infancy to early adoption 3-fold with global channel partners. Demand generation programs moved thousands of resellers and end users to purchase.
- Crafted and implemented digital marketing (Webinars, E-Mail Marketing, Demonstrations and Free Trials) to engage channel customers in acquisition, conversion programs that provided an increase in profitable relationships

Silicon Graphics Inc. (SGI)

Mountain View, CA

1995-1999

Integrated Marketing Communications Manager, Sciences*Silicon Graphics provided high-performance computing solutions especially those with 3D graphic display*

- Crafted marketing communications strategy, direction and budget to support sales into the high-profile, high income Chemistry/Biology/Medical field
- Led the company's \$1.4 million literature campaign introducing four out of six of SGI's new products to market. Built and managed an effective/dynamic team of 14 professionals influencing them to work resourcefully despite scarce information. Able to anticipate concerns, implement solutions quickly and based on a big picture outlook.
- Excellent time manager handling notable increase in workload after 90% reduction in staffing.
- Trail blazed the first series of printed customer success stories for the supercomputer division which were ranked by field sales as their #1 choice tool for marketing. Examples included: Navy, Glaxo Wellcome and BMW.

Corning, Inc

Corning NY

1992-1994

Senior Marketing Communications Specialist*Corning is a world leader in specialty glass and the inventor of optical fiber as well as Gorilla Glass*

- Created strategy and key messaging for a highly successful co-branding partnership between Corning and MCI resulting in a multi-million dollar purchase contract that replaced Russia's Communist-era phone system with optical fiber.
